**SOCIOLOGY**

Guidelines for preparation and submission of sociology project report

At the end of the summer break, each student will submit her/his project report. Each report must fulfil the following requirements:

1. The body of the Project Report will be of approximately 15-20 A4 Pages excluding additional appendices, questionnaires etc.
2. The project report will be written in the student's own hand, though they may include other illustrative material that is not hand - written
3. The project report will contain the following matter:
  - a) Cover page showing project title, student's information, school and session
  - b) List of contents
  - c) Acknowledgements and preface
  - d) Introduction
  - e) Rationale (Purpose) - The reason for the choice of the subject and its social significance.
  - f) Methodology / Technique - Mention the methodology e.g. questionnaire, case study, ethnographic description. The students may use any method which is appropriate for the topic selected. Detailed steps and procedures adopted must be given.
  - g) Presentation of evidence - There must be a major section formally presenting the evidence gathered as a part of the project. This can be in the form of tables, extracts from interviews, reports on case studies or discussion of documentary data (newspapers, articles, magazines, diaries, photographs). However, there should be value addition by the student and it must not be a simple reproduction of the original material.
  - h) Analysis of evidence & conclusions - Each project should summarize its conclusions in a separate section. This can be brief but should be clearly and carefully stated. If possible, some suggestions can be given for further enhancement in the area/ subject studied. This section can also include a statement describing the limitations of the study.
  - i) Bibliography/ Appendix or other supporting material - This should include the references to relevant books and other sources used for the study. The appendix will include questionnaires, list of interviews, documents or other material used in the study, if any.

Do the question bank given below in your sociology notebook.
